

## Time for an update.

Hi ,

We're writing to notify you that the estimated delivery timeframe of your is just around the corner, arriving in **Summer 2021**.

Soon, you will begin receiving frequent updates on the production of your vehicle, as it makes its way across the Atlantic and to your Volkswagen dealer. With your just around the corner, now is the perfect time to log into my ID.4 Reservation to explore our electric vehicle owner resources. Summer will be here before you know it.
